# **4<sup>th</sup> Congress of European ORL - HNS Cornerstones in European ORL-HNS**

**8 - 11 October, 2017  
Barcelona, Spain**

Dear friends and esteemed colleagues,

We were very excited when we first announced the 4th Congress of European ORL-HNS would take in one of the best possible locations for a congress, Antalya - Turkey, and we were hoping to show you the outstanding hospitality and organizational skills of Turkey and our national society.

Recent developments around the globe, unfortunately also focusing in our country, have raised concerns from potential future guests. Basically, the confidence about security continues to be very high, as can be shown in the fact that thousands of tourists are still attracted every day from all around Turkey and around the world to coming to Antalya.

However, we are aware of the contrary perception people might have. Thus, we thought that it was better to take the burden from our visitors by inviting them into a potentially worrisome journey. Our goal is to create a synergy and induce the academic vision; we are aware that this very goal cannot be reached when a mind is not clear of doubts.

After many thoughts given, evaluating all inputs received, and thoroughly studying alternative venues, we have come to the decision to relocate the 4th Congress of the Confederation of the European ORL-HNS to Barcelona. The event will take place from 8 - 11 October, 2017.

We believe that this decision shall attract the highest number of faculty members and eventually attendees.

With kind regards,

Ferhan Oz  
Congress President

Manuel Bernal-Sprekelsen  
President of the Confederation  
of the ORL-HNS 2015-2017
