

Confederation Society Village
6th Congress of European ORL-HNS
Milan, October 29th – November 2nd, 2022

After the success of the **Confederation Society Village** at the previous edition of the Congress of European ORL-HNS held in Brussels, we confirm that we repeat this fantastic experience in Milan.

The **Confederation Society Village** will be located in the Exhibition area, in Hall B on the first floor, in close proximity to a significant number of the session rooms and the registration area. The poster area as well as all coffee breaks will also be located in hall B.

The **Confederation Society Village** has been designed to encourage communication, networking and the common spirit among the societies and congress delegates; to foster exchanges about science, projects, collaborations, and – why not – job opportunities. It provides a networking forum for the wide range of stakeholders active in European ORL-HNS.

The **Confederation Society Village** is open to all member societies: subspecialty, national, co-opted, affiliated societies, UEMS-ORL and EBEORL. Participation will be provided “free of charge” for the member societies.
